COLLEGE

All shall be well,  
and all shall be well,  
and all manner of thing  
shall be well.

Lady Julian of Norwich

aquinas  
COLLEGE

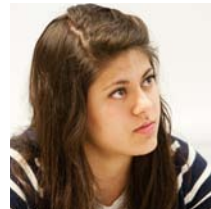

Aquinas is a successful and popular sixth form college with an open access and non-selective admissions policy. Our students have excellent opportunities and the best possible support for achieving their potential.

This is a relaxed and friendly college with a sense of mutual respect, identity and purpose. We look forward to your contribution to our community.

# Aquinas students are focussed, motivated, ambitious and ready to work

We do not have an academic selection policy. Potential students must be hard working and determined to succeed. We expect them to demonstrate a commitment to personal development and achievement in every endeavour.

# Academic results are consistently very high

Aquinas has very high standards and expectations. Our students take responsibility for their own work and learning; we expect them to organise themselves and to take a mature approach to their college careers.

# 85% of our students go to university each year

We want our students to exceed their own expectations of what is possible for the future. Careers advice and help with university applications are central to our student support services.

Students are confident, informed  
and well prepared for the future

COLLEGE 

# Courses to match all abilities and interests

We have an exceptional range of academic and vocational courses and our students are free to mix and match. Our timetable is written after students have made their choices: options are not blocked so we can offer courses tailored to individual needs. We update our curriculum regularly and we are always open to suggestions for new courses.

**aquinas** COLLEGE 

# Superb facilities and resources in every department

Aquinas is a purpose built, state of the art college. The campus is bright and spacious with excellent accommodation for teaching, learning and recreation.

COLLEGE 

# Additional activities and experiences for enrichment and enjoyment

Many important opportunities for having fun and socialising including sports, languages, Duke of Edinburgh Award, performing and creative arts, charity and community work.

# Aquinas students raise money to support children in India

The Aquinas India Project supports children's education through the charity Prem Dan. Trips to work with these children are an annual event.

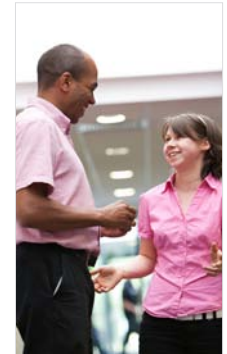

Everyone is treated as  
an individual at Aquinas

# Comprehensive student support services and tutorial programmes

Well established and effective care of all students is a priority. Student progress is closely monitored: targets are negotiated, agreed and reviewed each term with continual improvement in mind.

# Aquinas is a Catholic college for the community

The Gospel values of freedom, justice and love inform all our work. Our college chaplain organises a variety of activities including social trips, retreats and fundraising events as well as a drop-in spiritual support service for students.

A group of students are seated in a chapel, facing a chaplain who is seated at the front. The chapel has several tall, narrow stained glass windows with abstract designs in various colors. The students are seen from behind, and the chaplain is seen from the side, looking towards the group. The atmosphere is calm and focused.

The chapel is always open  
for prayer and reflection

## Stop and think!

Before you choose what to study ask yourself: what are you good at? What do you enjoy doing? What do you want to do when you leave?

Don't be shy – talk to friends, family, other students and teachers. Do some research, come to our Open Evenings and talk to us.

The image shows the exterior of a building with a curved facade. The main part of the facade is covered in vertical wood slats. On the right side, there is a section with horizontal grey panels and a vertical wood slat panel. A silver shield-shaped emblem with a cross and four smaller crosses is mounted on the wood paneling. The word 'aquinas' is written in a large, white, lowercase serif font, and 'COLLEGE' is written in a smaller, white, uppercase sans-serif font below it.
