

Department and Post Details

Department name:	Pathways SEND Department
Post Details:	Learning Support Assistant The college is looking to appoint a Learning Support Assistant - Pathways 35 hours, term time (39 weeks) to support and assist students with learning difficulties and disabilities on Entry and Level 1 courses. Appropriate qualifications and/or experience of learning difficulties and disabilities are desirable.
Staffing structure:	Head of Department Second in Department 6 Teachers 9 Learning support Assistants
Services provided:	The Pathways programme at Aquinas includes courses at Entry Level and Level 1. Students may study for one, two or three years, dependent upon progress made. There is provision for up to thirty-six students across four groups. Courses aim to develop independence through subjects such as cooking, enterprise, travel and money management. Discrete lessons are taught by subject specialists in Maths, English and ICT, as well as arts and PE enrichment sessions, which provide students with the opportunity to extend their leisure interests. All students take part in a weekly work experience either on or off site. Please see our website for further details: https://www.aquinas.ac.uk/vacancies/support/
Further Details:	This post is to start 29th August 2023
