

Department and Post Details

Department name	PE and Sport
Post	PE / Sports Technician
Hours / Days	Term time: Tuesday, Wednesday and Thursday. Tuesday will include department meetings, staff meetings and staff training so the hours for this day will be 9am - 4.30pm. Wednesday and Thursday will be 9am - 4pm although with some flexibility around these hours in line with fixtures' commitments on a Wednesday and potential sports clubs on a Thursday
Post Details	We are looking to appoint an enthusiastic and motivated PE / Sports Technician to provide high-quality curriculum and enrichment support to the PE staff and coordinate and raise awareness of high-quality sports enrichment opportunities at Aquinas College. The postholder will support both competitive and non-competitive programmes, promoting inclusion, participation, and wellbeing across the student community. The department is involved with the British Colleges sporting fixtures for football, netball, basketball, tennis, badminton, table tennis, athletics, swimming, golf and many more events. We also offer non-competitive enrichment activities such as use of the multi gym for all staff and students. As a department we offer many team building opportunities and day trips, as well as visits to local universities to participate in science lab testing for fitness. Applicants are asked to make clear in their application what their sport specialisms Please also specify any other sports in which you are qualified/experienced. Applications from ECTs are very welcome.
Department subjects and examination boards	<u>Vocational subjects:</u> Pearson Level 3 Extended Cert in Uniformed Protective Services OCR Level 3 Cambridge Technical Diploma in Sport Cambridge Technical in Sport and Physical Activity Extended Certificate <u>A Level Subjects</u> A Level PE (OCR)
Further Details	You will work within a friendly and successful department, as well as across the college environment.
